YOUR MEAL KIT..

Dirty Burger Kit

4 x Beef Patties, Bacon Jam, Truffle & Cheese Melt, Garlic Aioli , Gherkins, 2 x Brioche Buns

COOKING INSTRUCTIONS

Patties: Heat a frying pan on a high heat. Season the patties then fry for 3-ish mins on each side. We're looking for a nice colour but not over-cooked. Lower the heat on the pan then top one beef patty with the cheese melt and the other patty with bacon jam.

Cloche the pan, either with a lid or an upturned frying pan, until the cheese has melted. Place the patties on a tray to rest for a minute or so

Build: If you like, lightly toast the inside of your bun in a dry frying pan. Use the back of a spoon to add the aioli to the bottom of the bun, leave a 1cm gap around the edge.

Add a layer of gherkins over the sauce. Then add the bacon topped patty, followed by the cheese patty and the top of the bun.
